

Bathroom mirror

Mirror

Health | Happy | Harmonious | Win-win | Gratitude
Make a healthy home

Thank you for choosing this product. We strive to provide you with the best quality products and service in the industry

01 Before Assembly

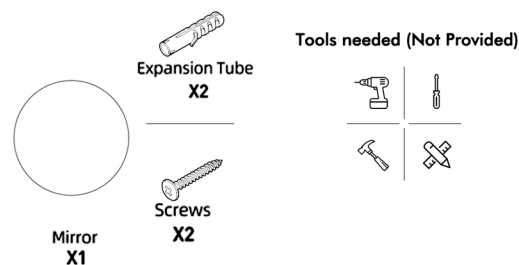

Assembly Tips

- Check the list of contents before assembly to ensure that all parts are included in the package.
- Make sure the wall can bear the weight of the mirror.
- Do not use string or chain to hang the products.

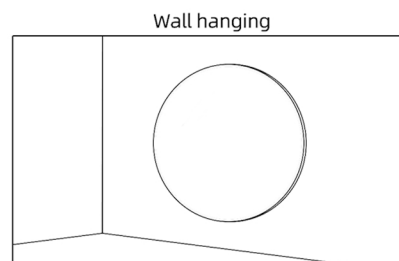

Care Advice

- Before using, clean with warm water and a soft, lint-free cloth.
- Check all the screws and bolts are tight every three months or as needed.
- Clean with an ammonia-free glass cleaner or detergent.
- Avoid spraying cleaners directly onto the mirror.

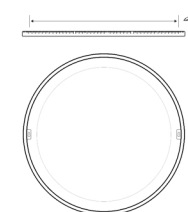

02 Accessories package

03 Usage Method

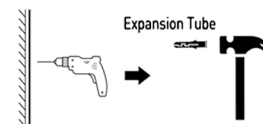

01 / Measuring distance

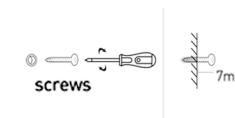

Use a ruler to accurately measure the distance between the mirror's two hooks, then measure and mark the same distance on the wall. Make sure they match perfectly.

02 / Drill holes to install bolts

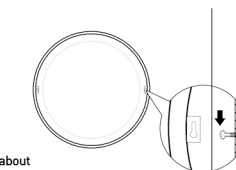

Drill holes at the marked positions on the wall. Hammer the Expansion Tube into the holes.

03 / Screw in

Fix the Screws into the Expansion Tube, leaving about 7mm of the screws exposed.

04 / Hanging mirror

Hang the mirror on the wall
